Sirs:

I would like to lend my support to the anti trust settlement between the Department of Justice and Microsoft Corp. It seems to me that the provisions of the agreement , while tough, are reasonable, fair to all parties involved, and go beyond the findings of the Court of Appeals ruling.

Hopefully, my feelings and support will be given consideration during the review and a determination made that the terms are indeed in the public interest.

Thank you for allowing me to express my feelings on this matter.
